A word from the directors

Mint Condition is a celebration of the aesthetic and conceptual diversity of our artists, in the form of a collectible card project, which involves the efforts of 90+ individuals worldwide. Works are divided into three decks: Pulse, Vista, and Ozone.

The cards in the Pulse deck are centred around the artists' original characters, and we hope you find meaning in getting to know them. Meanwhile, the cards in Vista feature scenes with original characters and their stories, which aim to provoke thought, serve as inspiration, and help you feel understood. Finally, Ozone's cards each contain a theme, offering glimpses into our own stories as artists and people, as well as the overall human experience. Please enjoy these collectible cards, and take care of them for us!

RIVERBED COLLECTIVE

Riverbed Collective is an independent visual arts organisation. We value community-building during the creative process, and are fascinated by aesthetic and thematic diversity.
